Registration forms are available on our website, at www.wolcottschool.com or can be completed at registration. A registration fee of \$170 is due at the time of registration. Families that pay registration fees prior to July 2, 2017 will receive a \$50.00 reduction, bringing the fees to \$120.

All medical and dental forms must be turned in by the first day of school, but are not required to register.

Medical and Dental Information

Forms will be distributed at Registration

- Complete dental examination
- Complete eye examination
- Complete physical examination with current immunizations

No student will be officially registered until **all** necessary information is complete.
